Description

The 2018 Native American \$1 Coin 25-Coin roll is now available.

This 2018 Native American Dollar Coin 25-Coin Roll contains 25 coins with circulating finishes that have never been placed into circulation. They were minted at the Denver Mint.

This year's reverse theme commemorates the contributions of Jim Thorpe to American sports and culture. The design depicts Jim Thorpe, while the foreground highlights his achievements in football and as an Olympian. Inscriptions are "JIM THORPE," "WA-THO-HUK" (Thorpe's native name), "UNITED STATES OF AMERICA," and "\$1."

Please Note: United States Mint coins are rolled by an automated machine process and not by hand. We cannot guarantee that the obverse (heads) or reverse of a coin will be at either end of a coin roll.
